

CUPE Local 2938 Reaches Agreement

CUPE Local 2938 (Library Techs), and the Seven Oaks School Division reached an agreement on December 12, 2015. The parties subsequently ratified the new deal on December 13, 2015.

The new deal includes wage increases of two (2%), one and seven tenths (1.7%) and two (2%) percent. The reasoning behind the 1.7% increase, which is below the trend we have seen, is that the Local received significant vacation improvements. Vacation is important to L 2938 as they are all twelve-month employees.

The Local also attained a 2% long service pay increment and a retirement incentive plan.

The new contract will expire on December 31, 2017. For further information, please contact National Representative, Mark Kernaghan at mkernaghan@cupe.ca or School Sector Coordinator, Wally Skomoroh at wskomoroh@cupe.ca
